

This screenshot shows the Visual Studio Code editor with the file 'greetingform.html' open. The Explorer sidebar on the left lists the project files: 'greeting.php', 'greetingform.html', 'holap.php', 'style.css', and 'tablas.php'. The main editor area displays the HTML code for 'greetingform.html', which includes a meta description, author information, a form with a text input and a submit button, and a CSS link. The status bar at the bottom indicates 'Ln 13, Col 52 (40 selected)', 'Spaces: 4', 'UTF-8', 'CR/LF', and 'HTML'.

```
